

State Administration of Work Safety, P. R. China (SAWS)

INVITATION

Dear Sirs,

The 5th International Mine Rescue Conference and the 3rd China International Forum & Exhibition on Workplace Emergency Management hosted by State Administration of Work Safety (SAWS), P. R. China will be held on 23-26 October, 2011 at China International Convention Center in Beijing.

International Mines Rescue Conference is initiated by IMRB, aim to exchange the technology and experience on mine rescue so as to promote the development of mine rescue and international cooperation. As a member of IMRB, it's our great honor to hold the 5th International Mine Rescue Conference in Beijing China.

I would like to, on behalf of SAWS and in my own name, kindly invite you to attend the event.

The theme of the event is ***“Safety” As an Essential Component of Emergency Preparedness, Emergency Management and Rescue Response*** and the topics are:

- a. Laws, Regulations and Standards Relating to Emergency Management and Mine Rescue;
- b. Emergency Management Group (Central Command) and Mine Rescue Team Structure; Operating Procedures and Deployment;
- c. Emergency Rescue Equipment and Technology;
- d. Emergency Management Planning, Drills and Simulations;
- e. Rescue Case Studies and Analysis;
- f. International Exchange and Cooperation on Emergency Management.

I am confident that you will find the event very useful and worthy of commitment, for you can not only have the networking opportunities with many high-level officials, experts and professionals, but also enjoy the availability of sponsorship and exhibition opportunities. And I believe that your participation will make a great contribution to the success of the event.

Looking forward to your earliest possible reply.

Sincerely Yours,

Bai Ran

Executive Director General of Department of International Cooperation
State Administration of Work Safety, P. R. China
